

Submitting your chair test using an Android phone via YouTube:

Create a YouTube Channel on your device:

If you already have a YouTube Channel skip to either “Adding a Video to your YouTube Channel while signed in...” or Uploading a video you your YouTube Channel from the video files on your phone”

Go to YouTube on your device. (Install YouTube on your device if necessary)

Sign in to google using your school google account. If you have another google account, make sure to use the school account.

You should now be signed into YouTube with your school google account.

From the home page on YouTube, click on the person icon.

Create a new channel.

Adding a video to your YouTube Channel while already signed into YouTube.

From the home screen on YouTube, select the camera icon.

Your saved videos will appear.

Select the video you wish to use.

This will take several minutes to upload.

Once uploaded, select the video.

Choose Share

Choose Copy Link

Uploading a video to your YouTube channel from the video files on your phone.

Locate the video files on your phone

Select the video you wish to add.

Choose the share icon.

Select YouTube.

Create a Title and description (Examples are Title: the name of the song and description: Test)

Choose Unlisted under privacy (If you choose private I will not be able to see it. Unlisted allows you to control who you share it with.)

Select the blue arrow in the upper right corner of the screen (may be a different location on your phone)

Recording your test while signed into YouTube

From the home screen on YouTube, select the camera icon.

Your saved videos will appear as well as the camera icon again.

Select the camera icon and begin filming.

Select OK.

Create a Title and description (Examples are Title: the name of the song and description: Test)

Choose Unlisted under privacy (If you choose private I will not be able to see it. Unlisted allows you to control who you share it with.)

Select the blue arrow in the upper right corner of the screen (may be a different location on your phone)

Copy the URL to the test submission sight:

Go to your YouTube Channel

Select Library

Find the video you wish to enter for your test and tap on the 3 dots on the right.

Select Share

Select copy link

Exit out of YouTube and go to www.mmjhorchestra.org

Select Students

On the dropdown menu select "Submit your Test"

Fill out the google Form

When you get to the final part that says "Below you will provide the URL...", press and hold (long tap). You will need to put the cursor on the line first and then long tap.

Choose Clip Tray.

Choose the video you wish to upload.

Hit submit.

Deleting files from the clip tray:

It is recommended that you delete files from your clip tray after you have submitted your test. This will help prevent you from uploading the incorrect file in the future. To do this:

Open the browser on your phone

Go to the URL field and long tap

Select clip Tray

It will bring up all the files you have copied to the clip tray.

Choose the delete icon.

Select the files you wish to delete.

Select done.
